### **NOTICE WATER MAIN FLUSHING PROGRAM**

The Newport Water Department is conducting a water main flushing program continuing the week of September 21, 2009. This program should last approximately two more weeks.

In Middletown, water main flushing will begin in the East Main Road area heading south to Aquidneck Avenue, Berkeley Avenue and Green End Avenue areas.

In Newport, water main flushing will continue in the Northern Broadway area, working west to the Farewell Street and Connell Highway areas, including the Point Section.

Also in Newport flushing will continue in the Wellington and Harrison Avenue area, also working Bellevue Avenue to the Ocean Avenue areas.

The flushing will begin at 8:00 p.m. and continue until 3:00 a.m. Discolored water may be experienced anywhere throughout the system during the flushing activity. It is recommended that use of water be minimized during the hours of flushing. Please call 845-5609 for additional information.
