

Press Release

City of Newport – City Council Workshop Water Treatment Plants-Improvement Projects

The City Council will hold a workshop on **Monday evening, April 5, 2010** to provide a discussion on the Water Treatment Plant Improvement Design Build Projects. City staff and the City's consultant, CDM, Inc., will provide a briefing on the results of the recently completed pilot testing and related issues concerning the evaluation of suitable water treatment processes for the new Lawton Valley and Station One water treatment plants.

The workshop will take place in the Council Chamber on the Second Floor of City Hall, 43 Broadway, at 6:30 p.m. The workshop is open to the public.

Dated: March 31, 2010
