

NEWPORT CLEAN. NEWPORT GREEN.

BULKY ITEM PICKUP PROGRAM

WASTE ITEMS THAT CANNOT BE REUSED OR RECYCLED

For items that cannot be donated or recycled, you may use the Bulky Item Pickup Program:

Step 1: Purchase Bulky Waste stickers at the Collections Office in City Hall, 43 Broadway, Newport, RI. Stickers come in \$15 increments and are payable by cash or check.

Step 2: Call Waste Management at **(401) 847-0230** to schedule an appointment for pick-up.

Step 3: Affix stickers to your item(s) and place them on the curb outside your address on the scheduled collection day before 6:30am.

Note – Collections take place on the first and third Thursdays of the month

* ATTENTION NEWPORT RESIDENTS *

Curbside collection has changed! Bulky items that used to be picked up curbside now need a pre-paid Bulky Sticker to be affixed to the item and an appointment made to be eligible for curbside collection.

A Bulky Item is any item that does not fit in your cart.

IF IT DOESN'T FIT IN YOUR CARTS, AND YOU WANT IT PICKED UP, YOU NEED A STICKER!

LOOK AT YOUR ITEMS AND DETERMINE WHAT CATEGORY THEY FALL UNDER

Donations for reuse – One person's trash is another person's treasure! Before allowing usable goods to take up space in the landfill, see if you have usable items that others could use.

- ▶ Are there family and friends who could use items you no longer want, like an older-model TV or appliance?
- ▶ Have you checked with a local thrift store to see if your items can be sold?
- ▶ Many organizations also accept donations of a variety of secondhand items. Refer to the following list of organizations that may want usable goods:
<http://rirc.org/content/getfile.php?o=document&id=138>

Recyclable items – Many items are accepted at the city's Recycling Drop-off area, located at 80 Halsey St., Newport, RI in the city yard. This is a free service to Newport residents. Please visit the Clean City website for a full list of acceptable items and

drop off instructions. (ex: TVs for electronics recycling and metal for metal recycling): cityofnewport.com/departments/public-services/clean-city/recycling-drop-off

Hazardous items – Household Hazardous Waste is anything toxic, corrosive, flammable or poisonous. These items are not acceptable at The Recycling Drop-off area or at the transfer station. Most of us have loads of this material in our cellars, garages and under our sinks. If a product's label has words like "caution", "danger", or "warning" it is hazardous and must be disposed of properly. These items cannot be disposed of in the curbside collection program and must be disposed of through a household hazardous materials disposal program. The Rhode Island Resource Recovery Corporation provides free hazardous waste disposal events open to all RI residents. For the next Eco-Depot event, call **(401) 942-1430** for more information.
